### CREEPY CRAWLY SHOW

EYFS had a fantastic time meeting lots of different animals in our Creepy Crawly Show visit on Wednesday. We had some very brave children and staff!

## Sycamore Class

We have started our new unit on plants in Science this week. We had lots of fun planting broad beans in Sycamore class, we can't wait to see them grow!

## Accelerated Reader

This week we have had four new members join the Upton Heath Millionaire's Club!

Congratulations to Jacob Egerton-Parry in Juniper class, Brooke Davies-Brown in Oak class and Joseph Bradley and Mayumi Wijekoon in Lime class who have all read a million words since September!

Our Accelerated Reader reading programme tracks words that the children read and adds them to their word count once they pass the book's quiz. You can check on your child's current word count by logging into your Home Connect account. We will also be looking to see who our 100% quizzers are so please keep reading!

The new members have all received a certificate, a free book of their choice and their photo will be displayed in our Millionaire's Row display area in the library. We also have some brand new gold 'Word Millionaire' badges, which all Millionaires will receive and be able to wear.

I wonder who will be next...

## Letter from Mr North

Dear Parents/Carers,

At last we have been able to use our wonderful grounds to support our children at play and at work. It has been great to see our children enjoying their down time. The first week of the summer term has flown by, and it has been so good to see the children and staff back in school.

Our sporting success continues, with our Year 5 and 6 girl's football team winning all of their games last evening in the last football tournament. Congratulations ladies, we are very proud of you and thanks to Mr. Wyllor for organising and supporting the girls this year.

It has been brought to my attention that a few parents have been enquiring about classes for next year and where teachers will be deployed. That process is well underway, but there are several things that impact on final decisions about the deployment of staff, which are not finalised until May 31<sup>st</sup>. Consequently, you will be advised about classes and teacher deployment later in the summer term, certainly after the half term.

Our celebrations for the Queen's Platinum Jubilee will include a "Great British Brunch" on Tuesday 24<sup>th</sup> June, so please look out for the menu options when they are published. Details of other events and dates for the summer term will be sent to you next week, so please do look out for those as we are really looking forward to being able to invite parents to more and more things.

Yours faithfully

Conrad North. Headteacher
