Sporting Success

West Cheshire Athletics Club, School Cross Country Series

We were very happy and proud to find out that our Year 5 girls and Year 4 boys teams came **first** place in the team event. Our year 3 girls came **second** and our year 3 boys team came **third** overall.

We also scored highly in the individual results with NB coming first and EJ second overall for Year 6 boys. JA came **second** out of all the Year 4 boys and AL came **third** out of the Year 3 girls.

Our athletics team did amazingly well last week at the indoor athletics competition. They took part in hurdles, relays and parlauf events as well as throwing and jumping events. They finished in **first** place and fully deserve their certificates and medals.

Altogether, 37 schools took part in these races. Congratulations to all our children who took part. Every single one completed their distance and made us **proud**.

Year 6 Football

Our Year 6 football team has done amazingly well this week, winning 3 games on Wednesday night.

We have now played all four of our league games and have won every one without conceding a single goal. **What a record!**

We are looking forward to playing the other group winners in the league finals and to our first cup game tonight.

Sports Ambassadors

Two of our Year 6 pupil, LR and EJ went on a sports ambassadors training course this week. They returned to school with lots of great ideas about how to improve sports at our school, including intra school competitions and activities for the other children during the day. They will be putting a plan together and selecting a team to work with them over the next few weeks.

Year 6

Year 6 have created pieces of artwork to commemorate Holocaust Memorial Day 2023. The theme this year is 'Ordinary People' to will help us to remember that the victims of genocide are ordinary people with ordinary lives, while those who commit genocide and initiate it are also ordinary people.

Year 6 used a range of art techniques including digital art, sketching and printing to create our work, paying respect to the 6 million Jewish people that lost their lives.

Chester Zoo

Until the end of January kids can visit for half price.

Experience all the zoo has to offer for a great day out for just £10.50. Discover the arrival of endangered species and new tree kangaroo joey, who is settling in well to its new home on Islands. Plus take a closer look at the tamanduas in their new habitat.

STARS OF THE WEEK

<p>Acorns Joey Lambe – for making all of the adults in EYFS super proud with his enthusiasm, efforts and good choices.</p> <p>Kaliti Sokomuri – for using her phonics independently to write about Mr Gumpy’s outing.</p>	<p>Conkers Woody Ramos – for your determination and enthusiasm in your reading!</p> <p>Ella Moore- for always being a kind and considerate member of conkers!
