### Note from Mr North

Please remember that the clocks go back Sunday 30th October, and that school is open at the normal time 08:40 – 08:55 on Monday 31st October.

I hope that you have a really good half term break and that you find time for some good quality family fun. Keep safe.

### After School Clubs

Please see the below link, with all information regarding our after school clubs for the next half term.

### After School Astronomy

Please see the attached link to our after school astronomy next month [Nov22.pdf](#)

As the early evenings after school become darker and darker during the months of November, December, January and February this is an ideal time to make use of the school's telescopes to view the night sky.

The unpredictability of the weather make it impossible to set specific dates for observing with the 'scopes but on some of the clear, starry evenings it is hoped to have them out on the yard from about 3.30 to 5.30. If you see me outside with the telescope, please come and say hello and you are welcome to join me.

Keen young astronomers may well want to start observing from home and so a guide to the early evening skies will be published for each of these months. The first one for November will soon be in the Newsletter.

Clear skies, Chris Brankin

## Girls Football

Please see the leaflet for Crew Football Club for under 7 and Under 8 girls.

## Harvest Collection

Thank you for your generous harvest donations. West Cheshire Foodbank were extremely grateful and overwhelmed by how much we had collected. Your donations will help so many families in our local community who are unfortunately struggling at this time.

We are so proud of our Upton Heath Family.
